How to use eCashier to Purchase Textbooks

Adding Textbook Costs To Your eCashier Agreement:

**STEP 1:** Register for your classes. Make a note of the course numbers for all the classes in which you registered. (Example: AIS 100)

**STEP 2:** Go to the NPC Online Bookstore at www.ecampus.com/npc to find the textbooks you need for your classes. Follow steps 1 through 8 on “How to order your textbooks” (on page 2) and then click the **CONTINUE** button. When you get to the Payment Method selection page – **STOP** DO NOT CLICK THE PLACE ORDER button. Write down the Estimated Total shown at the bottom of your cart on the right side of the page. Then, close your Web browser window.

**STEP 3:** Sign up for an eCashier account by following the instructions at www.npc.edu/admissions/ecashier-electronic-payments. In eCashier, add the Estimated Total amount that you wrote down from the NPC Online Bookstore to your eCashier agreement at the Budget Worksheet under Expenses and NPC Online Bookstore. This amount will be added to your eCashier account and reported as purchasing credit to the NPC Online Bookstore. This can take up to two business days.

You will know your eCashier bookstore credit is ready to use when you receive an E-mail from NPC with your login password for the NPC Online Bookstore. Once you have it, you are ready to place your book order.

**STEP 4:** Return to the NPC Online Bookstore Web site and click the “Sign in to your account” link on the top right of the page. Use your password E-mailed to you by NPC to login. Your order should still be saved in your shopping cart, if not re-select your books again and place them there. You are now ready to click the (PLACE ORDER) button. Your order will not be sent to the NPC Online Bookstore until you have clicked this button.

Questions? Please call the NPC Bookstore Manager at (800) 266-7845 ext. 7615.
