

Northland Pioneer College

DISABILITY RESOURCE & ACCESS OFFICE

SERVICES NOT PROVIDED BY THE DRA Procedure 0015

- 1. Transportation Services:** The DRA does NOT provide transportation to a campus/center, or transportation from one class to another.
- 2. Personal Aides:** The DRA does not provide “personal aides” for students. Students needing personal assistants for activities such as getting in and out of wheel chairs, providing cleaning, and attendant service, should be advised that they need to make personal arrangements for such services.
- 3. Diagnostic Evaluations:** As a matter of policy, NPC and the DRA will not provide or pay for diagnostic evaluations and documentation which support student accommodations. It is the responsibility of the student to provide such documentation to the DRA prior to receiving any services.

These services are available through other community services and governmental agencies.
