VA Concurrent/Supplemental Enrollment Form (Parent Letter)

This form is for students who are taking courses at a secondary school (concurrent/supplemental enrollment) which apply to their NPC degree program and who wish to use VA Educational Benefits for those courses. This requires the approval of an **NPC academic adviser** to ensure the classes taken at the secondary school will apply to the student's NPC degree program. Once the student and adviser sections of the form have been completed, submit the form to **veterans@npc.edu**, and an NPC School Certifying Official will complete the form and send a copy to the secondary school, as specified by the student.

- If you change your classes at the secondary school, a new concurrent enrollment form is required.
- You are also responsible for transferring the classes to the NPC as soon as possible.
- Classes can only be certified if they are mandatory for the degree and not duplicate classes.

I have read and understand the guidelines for concurrent/supplemental enrollment.	STUDENT SIGNATURE:
