## District Governing Board Self-Evaluation

### The Process:

- Each board member is encouraged to review the document and complete individual self-evaluation prior to meeting with the board as a whole.
- At the meeting, board members provide personal reflection and response. The numbers are added, divided by five, and a composite score (mathematical average) is assigned to the line item. An informal discussion of any item is initiated, at will, by any Governing Board Member. Comments are summarized and consensus is reflected in text.
- Items in the document were selected from the ACCT website and are consistent with powers and duties of the Governing Board.
- ACCT recommends that Governing Board Members establish annual board goals. This is collaboratively accomplished during the GB review.

**PROCESS FOR COMPLETION:** As individuals, board members perform their individual self-rating. As a group, members share individual ratings to determine group indicator (mathematical average of each self-evaluations).

**G = 3** I (we) operate at an acceptable level, but my (our) growth in this area would lead to optimal performance.
