### Springerville/Eagar- Week June 10-14

Music Maestros	133	\$55	6-14yrs	5min - 10 max	June 10-13	M,T,W,R	9-10:30am	Catherine Madrid	Come and enjoy making music with the Maestros as we learn about the World of Music. Students will catch a glimpse of cultural diversity in music, famous composers in our world's history, learn the basics of reading music, and how to play simple instruments (ex. recorder, hand bells). Students will also learn proper singing habits in posture and projection. At the conclusion of the class, students will have the opportunity to share what they have learned throughout the class, musically, in a small concert performance. Each child will also be presented with their own recorder to take home with them. <b>Students can bring a recorder if they have one already.</b>
Meet the Master Artists	133	\$55	6-14yrs	5min - 15 max	June 10-13	M,T,W,R	1-2:30pm	Julianne Madrid	This amazing class will introduce your child to well-known art masters such as Picasso, Monet, VanGogh, and DiVinci in a fun and interactive way. Students will play games, learn facts, and are exposed to various art techniques and mediums. Each child will go home with art supplies to continue their joy for learning.
Painting with a Spatula	139	\$15	8-14yrs	5min - 15 max	11-Jun	T	2:30-4pm	Julianne Madrid	Playing with your food has never been so fun! Learning to be creative and artsy with a spatula. Go home with some goodies. Class is Vegan-friendly.

### Springerville/Eagar- Week June 17-21

A Glimpse through Photography	133	\$50	6-14yrs	5min - 10 max	June 17-20	M,T,W,R	1-2:30pm	Catherine Madrid	During this course, kids will have the opportunity to learn some basic elements of photography and other key components of a photo. Color contrast, diversity, symmetry, angle, balance, tone, and light will all be incorporated during this course section. Kids will also have the opportunity to learn about the history of photography and to use their own creative eye to capture the art of the world around them. <b>Students need to bring a camera or cellphone with a camera.</b>
Talking Hands	133	\$35	6-14yrs	5min - 15 max	17-Jun	M	9am-12pm	Julianne Madrid	American Sign language is a great and fun second language to learn. In this introductory class, students will have fun with braille, touch on the life of Helen Keller, learn a simple song or two, explore our surroundings while blindfolded and of course learn ASL alphabet, numbers, words and phrases in a fun and interactive way.

## Springerville/Eagar- Week June 17-21

<b>Countries &amp; Cultures Fun!</b>	139	\$55	9-14yrs	5min - 15 max	June 18-20	T,W,R	9am-12pm	Julianne Madrid	Travel to three exotic countries in one week while never leaving an RV! Students will explore foods, games, languages, animals, music, and traditions of China, India, and parts of Africa! This will be a fun interactive class as you cook, play, and learn about new countries each day.
--------------------------------------	-----	------	---------	---------------	------------	-------	----------	-----------------	---

## Springerville/Eagar- Week June 24-28

<b>Fundamentals of Soccer</b>	133 & AYSO Field	\$55	6-14yrs	5min - 15 max	June 24-27	M,T,W,R	9am-10:30am	Catherine Madrid	Kids will have the opportunity to learn, develop, and master basic fundamental soccer skills such as shooting form, fun drills, and small sided games. Kids will learn about the history of soccer, some of the most well-known players, and recognize the importance of teamwork and sportsmanship. <b>Students need to bring a water bottle, closed toe shoes, and shin guards. Students are welcome to bring their soccer cleats and soccer ball if they have one. First Class will be held at the NPC Springerville center and follow classes are at the AYSO field.</b>
<b>The Bread Basket- Cook -Updated-</b> Jr.	139	\$55	8-14yrs	5min - 12 max	June 24-25	M,T	9am-12pm	Julianne Madrid	This is the ultimate cooking class that includes crafting your own chef hat and apron along with taking home cooking tools. You'll make homemade pop tarts, creating bread art, mini cinnamon rolls, breadsticks, and mini pizzas. <b>*Students need to bring an oven mitt.</b>
<b>No-Sew, So Fun! -Updated-</b>	133	\$40	8-14yrs	5min - 15 max	June 26-27	W,R	9am-12pm	Julianne Madrid	Not everyone has a sewing machine but that should not keep you from getting creative. In this class, your child will take home 3-4 non-sewing projects they can use or give as a gift.

## STJ-St. Johns Center

### St. Johns-Week June10-14

<b>Exploring the Possibilities with Watercolors</b>	TBA	\$35	9-14yrs	5min - 15 max	June 11-12	T,W	1-4pm	Amber Shepard	Watercolors they-re not just for elementary school! Let's explore the types of painting that can be done with watercolors! Students are welcome to bring their own watercolor kit or paper. Students should wear clothes or apron suitable for painting and a set of paint brushes to class.
