

Request to Approve Renewal of Cisco Smartnet Contract

Recommendation:

Staff recommends approval renew the existing Cisco Smartnet contract through CDW-G for a price of \$196,818.71 which includes applicable taxes.

Summary:

This budgeted, annual renewal will provide multiple service contracts for technical support, upgrades and warranty services. This is a renewal contract price for existing services which support unified communications and Cisco network infrastructure (route switch, firewalls, etc.). The pricing derives from a current software value added reseller contract the vendor holds with the state of Arizona, which may be used by state entities. Note: The total price on the requisition to the vendor is \$191,406.65. Adding 3% tax for the City of Holbrook (\$5,412.06) outside of the requisition makes the combined total \$196,818.71.
