

## 2020-2021 Tuition and Fees

### Summary:

Based on the Budget Development calendar, staff is providing proposed information on tuition and fees. Staff has developed the tuition and fee information based on Board approval of the Budget Development Guidelines, which include the following assumptions for tuition and fees:

*Tuition and general fees will be set at a rate that:*

- A. gives consideration to the impact on students, student enrollment, and student retention rates;*
- B. increases incrementally; and*
- C. is competitive in our market by maintaining a comparative position to the average tuition at other Arizona community colleges.*

*Course fees will be set at a rate calculated to offset expendable supplies and equipment.*

### Tuition

A three-year tuition plan is proposed that covers the three-year period 2021-2023 for in-state and out-of-state tuition. A \$2 increase is estimated to increase overall revenues a total of \$60,000; however, due to declining enrollment tuition revenues for 2021-22 are estimated to increase \$30,000.

- Year 1 (2020-21) - increase of \$2, or 3%
- Year 2 (2021-22) - increase of \$3, or 4%
- Year 3 (2022-23) - increase of \$3, or 4%

Historical tuition rates are included along with comparative information to projected tuition rates at other community colleges in Arizona, if available.

### Course Fees

Instructional staff review course fees to assure fees are based on cost of consumable supplies and other course specific expenses. Proposed course fee changes are expected to cover new courses and the increased cost of course supplies, equipment maintenance, and course-specific operational expenses. Changes in the fees are noted by bold type.

### General Fees

General fees include the Media Fee, transcript fees, testing fees and other. These fees are per transaction and not assessed on a credit hour basis.
