Notes:

- **Bold** items indicate a change from prior year.
- 199-299 and non-credit/special interest courses have variable fees determined by the length and type of each.
- Business courses have moved online and utilize Open Educational Resources eliminating the need for course fees with the exception of BUS 227 with requires that the business department purchase medical coding books annually for student use in the course.
- CIS charged \$100 for CIS 141 and \$100 for CIS 142, those classes are commonly taken together, so the total fee was \$200. CIS is now providing students in CIS 141 with a computer/kit to keep and that is where the cost should be absorbed. In speaking with TAS, who is providing us with disposal computers for students to keep, we agreed that \$150 was a reasonable fee for the equipment that students will be provided with.
