

Summer Sizzle with Sesame Street

Professional Development Incentive through the Arizona Early Childhood Workforce Registry

Lakeshore, Kaplan and the Arizona Early Childhood Workforce Registry, want to recognize early childhood professionals in Arizona who remain committed during these uncertain times. They also want to celebrate your efforts to pursue professional development so you can be your best for children and families!

For each Sesame Street in Communities webinar or interactive course you complete and submit to the Arizona Early Childhood Workforce Registry during the month of June, you will be entered into a drawing for a \$25 gift card.

We hope you will complete this training you signed up for and encourage you to consider participating in other Sesame trainings available to you through the Registry. Below is a link to our info flyer that provides details about all the other Sesame trainings you can find in the Registry.
