Virtual/Remote internship and volunteer opportunities available with this well-known non-profit, national organization. Interns and volunteers will engage in a variety of duties involving victims' services/advocacy, event planning, grant writing, community outreach, public policy, fundraising, etc. Students from various programs of study (i.e. degrees, majors) are encouraged to apply.

Applications are accepted on a rolling basis, but interns must start the application process at least three weeks before the semester starts. Internships can be completed in fall, spring, or summer. Mr. Simon Hill prefers that you email him to discuss whether you would be a good fit before you submit an online application.
