Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Thank you for your interest in the Northland Pioneer College Associate of Applied Science Degree Nursing Program. Only complete** applications received in the Nursing Department Office by February 11, 2022 at 4:00 p.m. will be considered for admission. Late applications will be considered on a space available basis if they meet the admission criteria, but will not be accepted before applications submitted on time. Please include this checklist as the first page of your application packet. If you are not already an NPC student, please enroll and obtain a Student ID# prior to submitting an application. You may enroll by going to your nearest campus or center or online at: <https://www.npc.edu/Application>.

**\*\*NOTE:** Applicants must be aware that clinical sites may impose Covid vaccination requirements, which may or may not include waivers for not obtaining the vaccine. Students are obligated to comply with these requirements when they exist in order to attend clinical experiences.

#### Submit the following items:

- Completed, signed, and notarized application
- Signed Notice of No Guarantee of Licensure/Certification
- Transfer students must submit *official* transcripts (*in original sealed envelope*) from original institution(s) for all prerequisite and co-requisite courses to the Records and Registration (R&R) office at PO Box 610, Holbrook, AZ, 86025. Transcripts can also be sent electronically to Records and Registration ([evaluations@npc.edu](mailto:evaluations@npc.edu)). In order to guarantee that your transcripts are evaluated and sent to the Nursing Department by February 11, 2022 we strongly recommend that your transcripts are received in the R&R office by **January 14, 2022**. Please plan accordingly. If an official transcript has previously been received and posted to your NPC account you do not need to order it again, unless you have taken additional coursework.
- You are required to contact an NPC Academic Adviser and have a **Degree Audit** printed to include with your application. If you are transferring credits you should contact an Academic Adviser after the courses have been posted to your NPC transcript but before the deadline date. Transferred courses will appear on your transcript in MyNPC.
- Math placement score of ASSET 41; NEXT GEN QAS 250; ACT 21 or completion of MAT142 or higher with a 'C' or better within one year prior to the application is required. Contact an NPC Academic Adviser for a math placement exam.
- Include a copy of either an LNA certification or an LPN license **in good standing** from the Arizona State Board of Nursing. If certification is in process, a copy of the certification must be received no later than July 1, 2022. If you currently hold a CNA certification, you must apply to AZBN to convert it to an LNA. The Board will charge a fee and require a fingerprint clearance *beyond* the DPS Level I Fingerprint Clearance.
- Provide a copy of the **HESI** Test Admission Assessment Cumulative Report. Test results **must include** all of the following: anatomy & physiology, biology, chemistry, math, reading, vocabulary and grammar and the cumulative scores for Science and English. Online HESI test dates through NPC will be made available by October 2021. If you require testing accommodations, you must contact the Office of Accessibility and Inclusion at least two weeks prior to the test. If you do not take your test through NPC, the results *must* be emailed directly from the test administrator to the Nursing Department at [tamora.vandriel@npc.edu](mailto:tamora.vandriel@npc.edu). If you wish to purchase a study guide for the HESI, look for the "HESI A2" exam study guide.
- Include a copy of your current Arizona DPS Level I Fingerprint Clearance Card (front *and* back). Apply at: <http://www.azdps.gov/services/public/fingerprint> as a health science student. **Plan ahead** as the process requires **6-8 weeks** or more barring any problems. (If your application is still being processed, enclose a copy of your receipt). A copy of the clearance card must be received no later than July 1, 2022. If you need instructions on how to obtain a fingerprint card, contact the Nursing Department (928-532-6134) or an Academic Advisor.
- A one page, typed, double-spaced "personal statement" must be submitted with the application. The "personal statement" should address why you wish to attend the Nursing program, what you have done to meet your goals, and what you bring to our Nursing program.

**You are responsible to make sure that all of the required documents are received in the Nursing Department office on time. If all items are not received on time your entire application will be considered late.**

## NURSING PROGRAM NOTICE OF NO GUARANTEE OF LICENSURE/CERTIFICATION

Admission or graduation from the Program does not guarantee obtaining a license or certificate to practice nursing. Licensure and certification requirements and the subsequent procedures are the exclusive right and responsibility of the Arizona State Board of Nursing. Students must satisfy the requirements of the Nurse Practice Act: Statutes, Rules, and Regulations independently of any college or school requirements for graduation as they exist at the time of licensure/certification. Although this explanation and handbook materials may provide information concerning the licensing process, the applicant/student is solely responsible for understanding and meeting licensure/certification requirements. NPC does not guarantee the accuracy of any of the information presented here or in any other materials presented to the applicant/student concerning the licensure process. Verifying the accuracy of such information is solely the responsibility of the applicant/student.

If convicted of a felony, an applicant for licensure/certification must submit proof that he/she "has received an absolute discharge from the sentences for all felony convictions three or more years prior to the date of filing an application" (Nursing Practice Act 2002, 32-1632 and 32-1637). Such proof includes completion of any sentence including imprisonment, probation, parole, community supervision, or any form of court supervision. Examples of unprofessional conduct include but are not limited to felony or misdemeanor convictions, substance abuse, conviction of an offense involving immoral behavior, or being guilty of acts which deceive, defraud, or harm the public in any way.

Fingerprinting will be part of the application process for the nursing assistant, LPN and RN applicants.

If there is any question about eligibility for licensure or certification, contact the Arizona State Board of Nursing (602-771-7800).

I have read and understand the above statement.
