Jurying

Locally Grown is a regional juried exhibition.

All submissions will be reviewed by a juror who will make the selection of works to be exhibited.

A different professionally practicing artist is chosen to jury this exhibition each year. Works will be selected based on their quality, craftsmanship and originality.

Jurors will also base their decisions on creating a complete and cohesive exhibition that showcases a diverse selection of artwork from the region.

Submission of artworks to a juried show does not guarantee selection by the jury.

Awards

Cash awards will be presented to 1st, 2nd and 3rd place winners (amount to be determined based on number of entries received).

Photography

NPC reserves the right to use photographs of accepted artwork for publicity purposes.

Liability

Artwork will be insured against loss or damage while in the possession of the NPC Talon Gallery, provided that the artist has filled out the Gallery Exhibition Contract which will be provided upon acceptance to the exhibition. Artists are responsible for insuring artwork during transit to and from the gallery.
