

## Request to Approve Equipment Warranty

### **Recommendation:**

Staff recommends approval to purchase warranty on the Cisco Equipment ordered through the Rural Utilities Services – Distance Learning and Technology (RUS-DLT) grant for a total cost of \$47,945.37.

### **Summary:**

During the March meeting the District Governing Board approved the purchase of equipment to outfit Dual Enrollment classrooms at the college and High School partners, creating fully functioning “endpoints” in each. The funding source was a RUD-DLT grant the college received.

The equipment has now been ordered and the college would like to have the warranty ready for when we receive everything. The cost was also written in to the grant so would come from the same funding source. Mohave ESC 20F-CDWG-1003 contract was utilized for best pricing and all applicable taxes have been added.
