Jurying

Locally Grown is a regional juried exhibition.

All submissions will be reviewed by a juror who will make the selection of works to be exhibited.

A different professionally practicing artist is chosen to jury this exhibition each year. Works will be selected based on their quality, craftsmanship and originality.

Jurors will also base their decisions on creating a complete and cohesive exhibition that showcases a diverse selection of artwork from the region.

Submission of artworks to a juried show does not guarantee selection by the jury.

Awards

Cash awards will be presented to 1st, 2nd and 3rd place winners (amount to be determined based on number of entries received).

Photography

NPC reserves the right to use photographs of accepted artwork for publicity purposes.
