After completion of a FAFSA, student should login to myNPC to *View Financial Aid Document Tracking* and upload any required documents to the *Financial Aid Student Portal*. Student should contact [FinancialAid@npc.edu](mailto:FinancialAid@npc.edu) or 928-524-7318 for financial advisement and further assistance with completion of student file. Student should consider setting up a payment plan if their financial aid student file is incomplete nearing the tuition payment due date.

### **Scholarships:**

- NPC Scholarships – Student should verify with Student Billing at 928-524-7480 to verify receipt of scholarship award form/letter.
- non-NPC Scholarships – A physical check is required, not a scholarship award letter. Student should set up a payment plan to avoid getting dropped for non-payment while awaiting scholarship check from sponsor.

- Public Safety Waiver as outlined in ARS§15-1808, student must request and complete the Tuition and Media Fee Waiver form from NPC registrar/cashier. Student is responsible for paying media fee and any course fees. Received waiver form is not applied until student presents Arizona Governor issued tuition waiver card/letter.

**High School Early College:** Students looking to take classes outside of what's offered in their high school must contact [Advisors-EarlyCollege@npc.edu](mailto:Advisors-EarlyCollege@npc.edu) for advisement. Early College waiver is not applied until Early College Advisor provides student's NPC ID and approved courses to Student Billing.

After form is approved, you stay registered and you're allowed to attend classes until the billing process is complete. Any unpaid charges are student's responsibility to pay.
