

Northland Pioneer College

SURGICAL TECHNOLOGIST APPLICATION PACKET

DEADLINE: May 20, 2022 4:00 PM

Name: _____

Date: _____

Thank you for your interest in the Northland Pioneer College Associate of Surgical Technology Degree Program. Only complete applications received in the Nursing & Allied Health Department Office by May 20, 2022 at 4:00 pm. will be considered for admission. Late applications will be considered on a space available basis if they meet the admission criteria, but will not be accepted before applications submitted on time. Please include this checklist as the first page of your application packet. If you are not already an NPC student, please enroll and obtain a Student ID # prior to submitting an application. You may enroll by going to your nearest campus or center or online at: <https://www.npc.edu/Application>.

****NOTE: Applicants must be aware that clinical sites may impose Covid vaccination requirements, which may or may not include waivers for not obtaining the vaccine. Students are obligated to comply with these requirements when they exist in order to attend clinical experiences.**

Submit the following items:

- Completed, signed and notarized application.
- Signed Notice of No Guarantee of Licensure/Certification
- Transfer students must submit official transcripts (in original sealed envelope) from original institution(s) for all prerequisite and co-requisite courses to the Records and Registration (R&R) office at PO Box 610 Holbrook, AZ 86025. Transcripts can also be sent electronically to Records and Registration (evaluations@npc.edu). In order to guarantee that your transcripts are evaluated and sent to the SGT Department before the application deadline we strongly recommend that your transcripts are received in the R&R office by May 1, 2022. Please plan accordingly. If an official transcript has previously been received and posted to your NPC account you do not need to order it again, unless you have taken additional coursework.
- You are required to meet with an NPC Academic Adviser and have a **Degree Audit** printed to include with your application. If you are transferring credits you should meet with an Academic Adviser after the courses have been posted to your NPC transcript but before the deadline date. Transferred courses will appear on your transcript in MyNPC.
- Math placement score of ASSET 41; NEXT GEN QAS 250; ACT 21 or completion of MAT142 or higher with a 'C' or better within one year prior to the application is required. Contact an NPC Academic Adviser for a math placement exam.
- Provide a copy of the **HESI** Test Admission Assessment Cumulative Report. Test results **must include** all of the following: anatomy & physiology, biology, chemistry, math, reading, vocabulary and grammar and the cumulative scores for Science and English. If you require testing accommodations, you must contact the Office of Accessibility and Inclusion at least two weeks prior to the test. If you do not take your test through NPC, the results *must* be emailed directly from the test administrator to the Nursing Department at [tamora.vandriel@npc.edu](mailto:tamura.vandriel@npc.edu). If you wish to purchase a study guide for the HESI, look for the "HESI A2" exam study guide.
- A one page typed double spaced "Personal Statement" must be submitted with the application. The "personal statement" should address why you wish to attend the SGT program, what you have done to meet your goals, and what you bring to the Surgical Technology Program. Please describe any experience you have as a healthcare provider, including the location, job description, number of years and responsibilities in that role.
- Include a copy of your current Arizona DPS Level 1 Fingerprint Clearance Card (front and back). Apply at: <http://www.azdps.gov/services/public/fingerprint> as a health science student. Plan ahead as the process requires 6-8 weeks or more barring any problems. (If your application is still being processed, enclose a copy of your receipt). A copy of the clearance card must be received before registering for any SGT course. If you need instructions on how to obtain a fingerprint card, contact the Nursing Department (928-532-6134) or an Academic Advisor.

You are responsible to make sure that all of the required documents are received in the Nursing and Allied Health office on time. If all items are not received on time your entire application will be considered late.

**Surgical Technology Program
NOTICE OF NO GUARANTEE OF CERTIFICATION**

Admission or graduation from the Surgical Technology Program does not guarantee obtaining the certification for surgical technologist. Certification requirements and the subsequent procedures are the exclusive right and responsibility of the National Board of Surgical Technology and Surgical Assisting (NBSTSA). Students must satisfy the requirements of the board independently of any college or school requirements for graduation as they exist at the time of certification. Although this explanation and handbook materials may provide information concerning the certification process, the applicant/student is solely responsible for understanding and meeting certification requirements. NPC does not guarantee the accuracy of any of the information presented here or in any other materials presented to the applicant/student concerning the certification process. Verifying the accuracy of such information is solely the responsibility of the applicant/student. If there is any question about eligibility for certification, students may contact the National Board of Surgical Technology and Surgical Assisting.

To be eligible to become certified, the student must be a graduate from a NBSTSA recognized surgical technology program. The Program is currently seeking accreditation during the 2022-23 academic year.

A clear Department of Public Safety (DPS) Fingerprint Clearance Card is a requirement of the application process for the Surgical Technology Program.

I have read and understood the above statement.
