Bachelor of Applied Management Catalog 2025-2026 To earn a bachelor's degree at NPC, a student's associate degree must have included at least 60 credits total and a minimum of 15 credits of general education courses inclusive of 4 credits of natural science. Blocks are suggested for full-time students, but may be adjusted based on course scheduling, student employment, or individual needs. Courses highlighted in green are prerequisite requirements for upper-division courses and still need to be completed. Courses highlighted in yellow can be taken at any point during the BAM program. Courses highlighted in blue are upper-division courses currently eligible to take. Blocks I through IV (not shown) are associate degree blocks completed prior to starting this program.

Block V (16-week)
